“ Dearest Cindy and Family:

*I know words may give you comfort right now, but will not take away the pain you all feel today. I promise that in time the pain becomes lesser and the comfort becomes greater. You have a wonderful family with a closeness that families today don't have. Hang on to that and each other and you will get through this difficult time. Your dad will watch you with pride and love. My prayers and thoughts will be with you now and always.*

*Fondly,  
Judi Spreda*
