“ Dear Betty Ann,
I was so sorry to read of your father's passing. I will always remember your father and his "love" of thunderstorms. I can still see him sitting on your porch and then walking around with the lightning crackling all about him! I know that he did this as much for his pleasure as for the scare he put in your mother! How she hated thunderstorms! Peace be with them both!
It's been 20yrs. since we last met up at NBGH maternity ward! If you'd like to get in touch send me an e-mail, gntomaro@snet.net
Love from an "old" friend,
Gretchen
My mother and father send their sympathy to you also. They are both 89 and doing pretty well considering everything that could be wrong with people their age!
