“ So many memories. We played softball together on a women’s team and never won one game but we had so much fun. Neither one of us had a car so we used to walk everywhere it was rough in the winter but we laughed about it and had a drink. Lots of good times at the lake and just spending time together with the kids. She was a good friend and I will always remember how she laughed. RIP my friend. Lisa

“ Some of my earliest childhood memories are with my cousin Michele. We grew up very near each other and played often. Michele was usually in charge as she was a bit older than Angela and I. She taught me how to file my nails which was very useful to a young girl. There were trips to the beach and vacations and amusement parks. We grew older and apart to some degree but she was never too far away. Love you Shelly!!!
