“ Dear Susan, Gail, Dick, Lindsay, and Dylan,

*I cherish many happy memories of holidays and regular days made special spending time with Millie, Bob, and all the Hoffmann / Benson family! Our two families have shared so much together over so many years.*

*As I mourn her loss, I'm simultaneously grateful to have had Millie part of my life for, well, all my 64 years! She was always kind and loving towards me.*

*The world is a better place for Millie having been in it.*

*Sorry I cannot physically be with you all at this time; I'm with you in spirit.*

*With much love,  
Jayne*
