“ I was sincerely sorry to hear Millie passed away this month. I was not fortunate enough to meet or know her but my mother Dorothy Ward did, whom we lost early this year. My thoughts and prayers are with all of you in the family. I know the pain of the seperation you feel. No matter the timing it is always so sudden and a profound change in our lives. God bless you with the knowledge that you are never alone because of the wonderful marks she made on your lives. My joy is our loved ones smiling down on us with such radiance and peace. I hope it will come to you as well.
