“ First met you in 1952 when I became a member of the family. Personally involved with you after the passing of your sister Virginia. We spent many holidays together and enjoyed every one. As your care giver for the past 11 years it was a pleasure. Always a hug and a kiss and I love you when leaving was standard. I will miss you very much, but know that you will be happy in God's House. You will be forever in my thoughts and I know that you will hear me. God Bless You.

“ Mim was a wonderful older cousin. Her dad and my mother were among the five children in the Ogren family. When we were kids at the family cottage in Groton Long Point, the evenings were filled with games. "Slap the Jack" was always a time of giggles and laughter.
