“ Brother Bergen, I was shocked and sadden by the lost Sister  
Bergen  
I remember working with you two in the  
field ministry and how well the two of you interacted with each other,  
it was encouraging to see. Jehovah has produced some wonder  
people over this stretch of 6000 years or so. And he will bring them  
back in the new system as treasures that he has preserved in the  
ground. until them may Jehovah comfort you in your mourning.

“ Dear Geoff: Words alone are never enough to offer someone at this time. However, please know that Nancy's memory will always remain in our hearts just by all you have shared with us about her. Nancy was one of the luckiest women I know who was fortunate enough to have had a man like you in her life. I am sure that you brought each other much happiness and that will forever remain in your heart. As they say, it is better to have known and lost, then to never have known at all. Stay strong my friend - we love you!! With our deepest condolences to you and Nancy's entire family, Patti & Bernadette Davies

“ Dear Brother & Sister Hubbard, Jim & Cathie, husband Geoffrey, Walt and I want to express to you our sympathy in the loss of our dear sister Nancy. We have known her for many years, and always thought very highly of her. She had such a warm and pleasant smile, and always had words of encouragement to share with you. She will truly be missed! The last time I saw her was at a circuit assembly in Newburgh, NY. in 08. Prior to that I hadn't seen her since before we moved to N.C. in 06. We had such a nice conversation. Wish I was able to attend her memorial talk. Will keep you in my thoughts and prayers. Much Love,
