“ Nancy was the Dean's secretary when I started my work as a professor at CCSU. She was extremely well organized and effective in her work. Nancy was very welcoming and helpful and helped me tremendously to feel comfortable in a new environment in a new country. She introduced me to the New Britain chorus- an act that brought me many happy memories. I am very sorry to hear about her passing. God bless her soul!

“ Our first meeting with Nancy was at her church in New Britain. We had discovered through an online search that our daughter Molly had a biological Grandmother living close by. Her birth mother Susan Gentry had passed away we learned, so Molly was extremely interested in meeting her other biological family members. Nancy was so excited to also meet her grand daughter Molly who was a teenager at that point. She was very welcoming as were the other family members. Thank you for your love and support Nancy and family. You made our daughter feel included and loved. You will be missed!! The Talbot Family
