“ *Where have the years gone. I fondly remember many days at the Schmidt house and the wonderful sewing tips Mrs. Schmidt gave me. Nellie was a very loving and warm person and although it has been many, many years since we've visited I will always remember her. Betty*

“ *Gene and Karen
I was so sorry to hear about Gene's Mom. I have many fond memories of her when I was growing up. She was a kind wonderful woman with a sense of humor, which she needed with Gene as a son. Again my condolences and my hopes that everyone else is healthy. John*

“ To Nellie's Family: My sincere sympathy to the family. I would see Nellie at least once a week at Stop and Shop and she would tell me stories of my dad Ed Lumpp and her husband . They worked together at the motor vehicle. She struck up a friendship with my mom {Irene also. She made me a happy person when she gave me a few pictures of my father. I lost touch with her when Stop and Shop moved to corbin ave. but while visiting a relative at walnut hill convelsant home I saw her name and paid her a visit and realized she had alzheimer. Again my deepest to her family and to let you know she was a lovely person and will be missed.
