“ I remember you so very well on 217 Broad St., with my mother Louise, my aunts Nina, Violete, my grandfather Alexander. There are all gone but the memories are always there. You always would talk to me as a boy and had that laugh you couldn't forget. It has been over 50 years! I am 62 but I can go back and remember it so well. God Bless

“ Dad & Bill - I will miss mom/Nina very much. She was a big part of my life. She was kind & thoughtful to me, my sister, & to all of us who knew her. I will always treasure the times we had together. I will always have a special place in my heart dedicated only to her. And I will always be there for you both. .... A short poem: "I know it is hard to say goodbye but keep her in your heart & in your mind as she is always looking down at you from the sky!" I love you both! - Kim

“ Leaving us now you had to go, you don't have to explain we will find the answers in our soul. When we need you we know you will be there as you have done all these years. Your memories will be frozen in time within our minds. We shall never forget you, we will always think of you.

*Nina, you were so kind and thoughtful towards me and treated me like your own family...I wish I had the time to say "bye" and "thank you" for all the cards you sent me. You don't know how much I appreciated that you thought of me. Your cards always came at the right time I will miss them greatly as I will miss you. Thank you and good-bye.*

*Bill: Keep the memories of your mother close to your heart and she will guide you throughout your journey in life. She is never gone she will always be by your side as long as you keep her memory alive.*

*John: In my life I could only imagine loving someone for as long as you have loved Nina. Now that she is gone I know your love for her will only grow stronger. Keep that love alive and you have peace inside. Peace be with you.*
