“ So sorry to hear about Norma's passing. I worked with her at New Britain General Hospital for several years. I know she will be missed by so many...I wish I could be there in person to honor her life, but unfortunately I am out of town. I pray God's comforting will be with the family now and afterwards when things settle down. Hold on to the memories!

Love,  
Linda Samuel

“ Mommy, my heart is broken. Everyday I called you while driving back home from work or going to a meeting. The past 2 days -I just feel lost. My Jeep is quiet without your advice, stories, silly animal things and our laughter. Thank you for helping me become the person I am. I love you so much. I hope there's good coffee for you and you finally found the perfect cup !
