“ My condolences to Dawn and Norman for the loss, of their father. I have had the privilege of knowing Mr. Chiger, for many years. I met him over 40 years ago, when I met my forever best friend, his daughter, Dawn. He was always such a kind man, with a great sense of humor. I was also blessed to reconnect with him, last year. We had many great talks and laughs. I enjoyed our many rides through New Britain , as he would reminisce about certain places in New Britain, with such fond memories. Rest In Peace my friend.
