“ Our whole family was deeply saddened when we read that Olga passed away. We were happy neighbors for years on Meander Lane and the neighborhood hasn't been the same since they moved. She always looked out for everyone and always kept Skippy in line! Our heartfelt sympathy goes out to your entire family. With Love and Sympathy, The Bartley Family

“ I remember being in my living room with Olga when we heard the sad news about John F. Kennedy's death. I had no tissues in the house so I passed along a roll of toilet paper. We sat in the living room awhile and cried. Susan came home from school to discover us both in the living room crying with a roll of toilet paper. I miss you Olga - Our deepest sympathies go out to you and your family.

“ My Sincere Sympathy to you in the loss of your Wife and Mother. I worked with Olga for 15 years on C4 at New Britain General Hospital. She was the aide and I was the secretary. We would talk about my 3 daughters and she would tell me about her Alice and her Donna. We also shared a recipe or two as she was a good cook. We had a lot of fun all of us kidding around with her. I felt so bad when they brought her to the hospital last week and I was working .I ran in to talk and kid with her but was unable to. When she left I told her I loved her and would pray for her.
