“ Dear Donald and family,  
I was so fortunate to have worked with Pat for many years on C6L.  
She was a wonderful person and a great nurse. I will always  
remember her as one of the wonderful night nurses that mentored  
so many of us. She will be missed by all that knew her.

“ I loved to hear Pat laugh and, luckily, it was often. She was a warm,  
kind and loving co-worker and friend. She was always ready to lend  
a helping hand or teach us something. I'm so happy that at the  
unexpected end of her life she experienced so much joy-Colleen's  
marriage, her vacation with Don to Maine and attending the reunion  
with so many old friends. My husband and I want to extend our  
deepest sympathy and want you to know that all of us will miss her  
very much. Bless her heart.
