“ Sra. Platosz was my Spanish teacher when I was 13 years old I'm now 28. She was one of my favorite teachers. She always had a smile on her face. The year I was in her class, my mother passed away after a long battle with cancer, and Sra. Platosz was very nice to me during that difficult time, and I will always remember her kindness.

“ To our dear family,
There are no words that can describe what a loss our family feels. We will miss Patti dearly, Patti's positive outlook on life, smile, and contagious laugh were a blessing to everyone whose life she touched. All of us from the Campisi family and Burgio family feel proud to be a part of such a united and loving family, each and everyone of you did everything you could for Patti and were of great inspiration to her throughout her courageous battle. She was a friend to many and her passing has left countless with empty hearts.

"You can shed tears that she is gone, or you can smile because she has lived. You can remember her and only that she is gone, or you can cherish her memory and let it live on."

We love you Patti and thank you for all the beautiful memories.

With love and empty hearts.

“ *I knew Patti mostly as a fellow Spanish teacher in the Glastonbury Schools. However our mutual Italian background and love for family and cooking created a sisterly understanding and affection that I will always treasure. I met her in 1992 and just this last year shared notes as we both taught an Introductory course. Throughout those years, she has always been positive, diligent and this year, despite her health issues, she continued to embody all of the characteristics of an ideal teacher and friend. We have lost a wonderful spirit. Heaven is certainly shining more brightly with her there. My condolences to her family in this time of sadness.*

“ I first met Patty when she joined our team of elementary Spanish teachers in Glastonbury of which I am a member. She was sweet, intelligent and kind. I got to know her better when she and I were the only two Spanish teachers from Glastonbury to sign up for a Spanish immersion weekend at CCSU in May, 1990. We shared many laughs. I know how devoted she was to her parents, siblings, husband and children because she spoke of them often. When I last saw her at the start of this school year she was happy, as always, and talked about her family! I know her faith and devotion to others have brought her to eternal life in heaven.
I am just sorry her family has to carry on without her but will keep her memory alive.

“ Patty- She was always referred to as the little sister. But it was her grace and spirit to live life that I will remember. I will hold the picture of her sitting on the beach, surrounded by family and friends, her skin glowing with a deep dark tan.
May your memories bring comfort to you, and may Patty's glow continue to shine on you.
Love
Jacqueline
