

Patrick Brennan

March 15, 1971 - August 10, 2019

Our hearts will be forever broken at the loss of our beloved Patrick Brennan, 48, of Bristol, who passed away after a brief illness on Saturday (August 10, 2019) at Bristol Hospital. Born in New Britain, son of Ann Marie (Sibio) Brennan of Plainville, he lived in Bristol for the past 20 years.

Pat had a big heart, he would help anyone in any way he could - all you had to do was ask. He loved to work in his yard, do home improvements and was a natural with anything mechanical. Most of all, Pat valued his family and the time he spent with them – there was no limit to what he would do for them.

Pat attended school in New Britain before becoming a Medical Assistant at Lincoln Technical Institute. Through his love of everything mechanical, he earned several certificates in Manufacturing Technology and preferred working in this field. Pat was a skilled machinist and was presently employed at Plainville Machine & Tool in Bristol. Besides his mother Ann, Pat leaves a daughter, Victoria “Tori” Brennan; and his son, Gage Brennan, both of Bristol; his favorite “grandson”, Giovanni Ewing; two brothers, Robert Brennan and his wife Kelly of Berlin; and Martin “Marty” Brennan and his wife Dee of Plainville; three sisters, Margaret “Peggy” Nolan and her husband Craig of Plainville; Mary Brennan and her partner Vito Rubino of Southington; and Catherine Salicki and her husband Alan of New Britain. Also, many nieces, nephews, aunts, uncles and cousins. Calling hours are Wednesday morning from 10:30 to 12 Noon with funeral services immediately following, Wednesday 12 PM (noon) at Carlson Funeral Home, 45 Franklin Square, New Britain. Burial will be at the convenience of the family. In lieu of flowers, donations may be made in memory of Pat to a charity of your choice. Please share a memory or note of sympathy at www.carlsonfuneralhome.com

“ *To my oldest friend,*

Words cannot describe how saddened I am to hear about this. Friends come in and out of your life for your entire life but you'll always remember your oldest. We would always tell the story of how at 5 or so years old I asked "do you want to play on my swing set.?" The rest was history. There could be no mention of Emily Dr. without Pat and Rob to the friends of our generation in that neighborhood. We went through thick and thin over there. From swimming at Al's to Pulaski, Sussman's Plaza and Falcon Field! You were the best my friend! You will truly be missed my brother.

To the huge Brennan family,

The ones I know and the ones I never got a chance to meet. I'm very sorry for your loss. The Obituary says it beautifully about how much he loved his family and would give you the shirt off his back to help someone out. We were all truly lucky to know him.

My deepest sympathy,

“ *May you feel God's Presence as you go through these painful times! Patrick's death was not expected at such a young age...He must have completed all he was meant to in this world and God wanted him back! Please take comfort in each other at this time - you guys together and your memories with each other are your greatest strength! My heart cries with you now, and this sorrow will pass, but the love and life experiences you have shared will live on forever. All my love! P.S. Will send a donation soon and let you know who it is to.*
