“ I loved working with Patsy. I called her my "partner in crime". Together we would laugh giggle and she would make work a better place to be at. She will be greatly missed, her spirit will live on

“ I loved Patsy and will miss her very much. She was one of the kindest souls I think I will ever know. May God care for her now and watch over her for eternity.

“ I would like to extend my deepest and heartfelt sympathy to Jerry and family. I worked with Patsy at Subacute for almost four years. She was working the 2nd shift and me 3rd shift. I was always glad to see her because I knew she always got the work done. Many's the night she would stay late to help me with whatever disaster came or to make sure her work was done so it wouldn't be left for me to do. I always enjoyed her stories about her family and the latest adventures of Pokey. She could always make me laugh especially when I would start to take things too seriously or when she felt I needed to. She was a kind and gentle person with a tough shell. I'll miss her and won't forget her. My thoughts and prayers go out to her beloved family.
