“ Hey Dad this is for you,I will miss you always

*I'm sitting here in my room, looking at your picture.
Wondering why you couldn't be a part of my future.
Uncontrollable tears stream down my face,
while my heart beat starts to race.
Asking god why he took you from my life,
it was more painful than stabbing me in the heart with a knife.
I still needed you here
you were the one to make everything so clear.
you are apart of me and I am apart of you
when you died a part of me died too.
I never knew how hard it was to loose someone you love
until the day you went to heaven above.
Even though I can't see,
I know your up there watching over me.
I miss you more and more everyday
and all I can do is pray.
In my heart you shall forever remain.*

“ *This life is filled with pain and sorrow,
I always wonder if I'll make it through tomorrow.
I don't know what I'm going to do,
I'm always missing you.*

*I think about the joy, laughter, and tears,
and try not to have any fears.
I close my eyes and take a deep breath,
But once again I start thinking about your death.*

*You told me you would only be gone a little while,
And told me to always keep on a smile.
But its been longer than a while,
How do you expect me to smile?*

*I know you will always be in my heart,
But it is slowly breaking apart.
I always loved having you near,
and now I wish you were here*
