“ Donna and family, I am so sorry for your loss, along with all of us at Farmington Care Center. Peter will forever live in our memories and be remembered as a wonderful man with a smile that lit up his face and our hearts. I am grateful he did not suffer and can tell you the last I saw him, he was giggling at the staff's antics and my interpretation of bringing him that pillow you brought him and needing a handtruck to get it to the bed. He is already missed. We all loved him too. Sue
