“ Pete was a steadfast car enthusiast who ran numerous car shows. I met him in 2015 at Bart's in Windsor. Despite his rough exterior, he had a big heart. and if you needed anything he was always ready to help. He helped me with some work around my house in South Windsor once. His legacy will always be remembered. And he had and could find the most sought-after cars around. His big old Buick, that white '66 Ford, and his beautiful Maroon Pontiac convertible he and Kathy would come to the show every Wednesday with. When he grumbled and said he was tired of doing the shows he said, "Here Roy, you do run it." I didn't want to but nobody else was stepping up so I ran it for 2 years until it was sold. Now with new owners again, my partner and I are back running it. It was odd not to have him and Kathy there last week for the first night, and I read his OB as a memorial to him at the show. And that's only 1 of the cruises he attended. Will miss you Pete. RIP. Roy Szoka
