“ *My husband and I worked with Peter at Guida's for many years. It was always a pleasure talking to him. I especially enjoyed talking to him about his involvement with Musicon and hearing about his fishing trips.*

“ *I met Peter when I was working as the HR administrator for Guida's Milk & Ice Cream. Peter never failed to ask how YOU were and mean it! and always made the time to stop and talk to you. Pete was salt of the earth and I think there's no greater compliment than that. He will be missed by many of us here at Guida's.*
