“ While this is late in coming we know very well the pain and sorrow you must feel. We hope that knowing Ray touched so many lives in such a positive way makes his untimely passing a little less painful. We will miss his good nature and his ability to bring us to laughter. We will miss being able to bust him for his love of Dale Earnhart and will miss talking NASCAR with him. We will always remember Ray, his love of family and friends, his love of racing, his humorous good nature, and even the hot dogs at the Bristol Fish and Game. There are so many good things to remember him by. He has left a legacy that will keep him in our hearts, thoughts and prayers forever. We think he would like us all to celebrate his life and not dwell on the sadness we now all share. God bless him.
