“ Grandpa, while here on this earth you had many, many great accomplishments. You were a man of many talents and always kept busy. Even well after you retired!! Many people loved you. You were a kind and soft spoken man. I know your in a better place now. I hope that you are now at peace. I pray that you will watch over us all from up above and I hope I can make you proud.. I appreciate greatly everything that you have done for me more than you'll ever know. I may never be able to see you again to tell you that but I most certainly will always keep you close in my heart. May you rest in peace and know that I love you very much now and forever. Until we meet again, I'll hold all the memories of you dearly and in my heart forever.
Love you always,
