“ I have known Bob for about eight years now, both being from Wethersfield and having the same interests and sense of humor. I so enjoyed talking to him and laughing with him. I would call him from the office just to say hi and we would catch up. He was a client and a special friend. I will miss him dearly. My deepest sympathy to Bob's family. My thoughts and prayers are with you all at this difficult time.

“ I write this note with heartfelt love and sympathy as I reflect on Bob. I've known this good man for 45 years. We shared birthdays and so, he and I had a unique bond. With his special sense of humor, you can imagine the banter between he and I on that day. Of course, singing with him for about 20 years added to our friendship. We've missed him a lot since he had to quit singing several months ago. But, he continued coming to church in spite of his personal struggles-like the energizer bunny! Be at peace, my friend. You are free of worldly struggles and are with our Lord in your eternal home!

“ Bob was a dedicated member of St. Paul's Lutheran Church. He did many wonderful things to help others. Every summer he would have a plot in the towns community garden where he would raise vegetables he shared with our congregation as well as our Food Bank. He was a generous, kind man who will be missed. God Bless Bob's Memory.
