Maureen and family, so sorry knowing of Bobby's passing. We, not only shared our birthdays but many other times as he was like a brother to me (through my own brother, Donald). I remember going to the Hawthorne for my 16th and his 17th bday and the waitresses singing to us... so embarrassing! He was a great guy , a great friend and a great "brother"! May he be at peace. Wishing you all happier memories to help you through this difficult time.

Very sorry to hear of Rob's passing. I was also stationed at Clark AFB. When I landed 1968 there was an Airman there to greet me. Half way around the world, it seemed out of place. Did not recognize him at first but did recognize the 1965 RED Pulaski year book he was holding. Where he worked he knew everyone that was coming into our Squadron. Affectionally known as "Rabbit". He had the same smile that I remember in High School as the one posted here. God Bless, Rob. You will be missed.

So sorry to hear of Rob's passing. He was a great next door neighbor when I was growing up. Our family was thankful that he continued the tradition of keeping our spare key after his parents before him. Great memories!

I went to high school, Pulaski, with Corr, as we called him. I consider him one of my closest friends during that time. I remember him coming by my house with Smithy and we would just talk and have a good time. I remember going to dances and dancing and dancing and dancing with him. I am not surprised he has so many loved ones and that he accomplished so much in his life. My deep condolences to his family. He will be missed.
