“ Erik,
I am so sorry to hear about your dad. Linda Perotti Messina emailed me the news today. I remember when your parents divorced and the difficult times you went through with that when we were in school. I hope you had the opportunity to have a relationship with your dad in adulthood. I saw from your info that you have a son. I had seen Paula a few years ago and she said that you and your girlfriend had a baby. I would love to see pictures! I hope that you are well, and again I am sorry for your loss. Love, Robin
