“*Mary, I've thought of you often through the years. I wanted to send you and your son's my condolences. Many years have gone but I still remember his handsome face. You had many years together and I'm sure made many beautiful memories. Take care of yourself and find peace in your memories. God bless. Paula (Coons) Gagnon*

“*I was Bob's roommate at Tilton during our senior year. While we lost touch over the years, I have always remembered his quick wit and his ability to sit down at the piano and play songs by ear. During the fall he “enhanced” a gallon of cider with equipment “borrowed “ from the chem lab □ which was delicious. So sorry to hear of his passing... Tom Snow*

“ I played quite a few rounds of golf with Bob at Timberlin and always enjoyed his wit and humor. Although Bob was no longer playing golf, I would always talk to him after a round, as he would stop by the bar during the week at Timberlin for his 2pm drink and to socialize. He always asked about my wife and I, even when he wasn't doing well. A very caring and generous man, as I know he helped a number of people financially.
All my sympathies to the Zielinski family.
