“ Barbara - So sorry for your loss I enjoyed working with him and especially when we had the time of our life scaring people at the haunted house at the hospital. Thoughts and prayers are with you at this sad time.

“ *Uncle Rocky, You were there when I was a baby and into adulthood. I remember all the fun we had at all the holidays, birthdays, picnics, and vacations at the beach. I remember you taught me how to golf and fish. The eel I caught while fishing at the beach, we cooked it up and had it for supper. Those were the good old days. I will miss you. You are the closest and my favorite uncle. I will never forget you. Love Lydia*
