“ Dad, what to say. You helped make each of us who we are and we could never thank you enough for that. So many fun memories, trips taken and not realizing the aggravations we caused you until we grew up and experienced the other side for ourselves.
Thank you for the time and love you gave us.

“ Larson Family-As a Freemason,Roger prided himself on his service to the lady residents at Masonicare by making sure they arrived at their hairdressing appts. on time. He truly enjoyed this function and took delight in sharing with me the number of miles he traveled in the performance of this duty.He exemplified the expression "Service with a Smile " As his Brother Mason I say " Well Done Good and Faithful Servant" Peter Gaulton
