“ *Manny and Annette, My heartfelt sympathy to you and your family at
the passing of your dear momma Rosetta. You are both a testament
of love and devotion having dedicated yourselves for years to
assure, to the best of your abilities, that she was cherished. All too
often we witnessed those who did not have any support. I always
enjoyed your company during our "residency" while caring for our
girls. I sincerely hope that we may re-connect soon.*

“ I met Nonni nearly 10 years ago, I think she was amused when I tried to use my broken Spanish to communicate with her. I'm blessed to have witnessed the love she had for RoseAnn and to see her hold our son, Honor. To Manny and Annette, she couldn't have asked for a better family to care for her. Thanks for all the love and care you showed Nonni over the years! What a blessing to have known such a loving and kind woman. My family takes comfort in knowing you'll be our guardian angel.

Love,
Jordanna
