“ Uncle Larry, I can't even tell you how much your mom means to us. My memories of both your mom and dad are so great. I remember playing shuffle board at the pool, and wearing our pilgrim costumes at Thanksgiving dinner, and dinners at the Red Lobster. Every time Andy and I use the cat coasters she made, we think of her. I am so happy Andy got to meet her and see what a loving Grandma Ruth was. I miss her alot and am thankful for all the times I got to spend with her. We are thinking of you. Love, Amy

“ Dear Larry,

I was deeply saddened by the news of your Mom's passing. Look back on all the good times you were able to have and smile at the fact that you were able to share these before God called her home. Now the angels rejoice as a good, kind, and gentle soul has finally made her way to heaven. I will cherish many fond memories of your Mom. 101+ years is truly a beautiful and full life. Please know that you are in my prayers.
