“ Edwin and Deborah, Roger and Carol and families .... sorry for your great loss. We are second cousins. My father Kenneth Woodruff was son of George Woodruff, brother of your grandfather Woodruff. Possibly the last time we were in the same company was at Freddie's funeral, I had attended with my great-aunt Mildred Woodruff, my father's sister, and of course your mother's first cousin. Ruth and Millie were close friends over the years. She is one year older than your Mom. She resides at The Plainville Health Care Center and is in remarkably good health with a very sharp mind...I spent time with her yesterday listening to her reminisce about "the good ole' days" with cousin Ruth. She has sent several letters to Ruth's home in the last year with no response, so has been wondering where she was. We'd really appreciate it if one of you would please contact me when your lives calm down a bit, either by email or 860-747-9355. Thanks for listening, you all are in our thoughts and prayers.
