“ Growing up next door to Sal and Barbara gave me the opportunity to appreciate what a good neighbor is all about. Sal was a gem. Kind and good hearted. Always willing to assist anyone in need. If the world had more like him it would be a much better place than it is today.May his kind and gentle soul rest in peace.

“ My Dad...taught me "common sense" which lives on to this day. he always said do what ya feel is right and don't worry about what others might say. he was a very generous man, thinking of ways to provide for his family above himself. he would always try and help out others when he could. going to flea markets with him over the years, it was always nice to see him give away little toys or whatever to the kids who would pass by. he loved kids!! always helping out at the day care center my sister worked at. all about the kids he would say. he will be missed...may his soul rest in peace.
