“ *I know all your life you wondered;*

About that step we all take alone;

How far does the spirit travel on the journey?

You must surely be near heaven;

and it thrills me to the bone;

To know...

Daddy knows the great unknown.

“ Dad,

It's comfort to know you are in the Lord's arms now and your trials are over. Give my love to mom, Grandma and Grandpa, Aunt Marion, Aunt Mary, Uncle Joe and all the other angels who are waiting at the gates to welcome you. From now on you will only know the love, peace and joy that comes with residing with the King of Kings.

Take Landy for a run in the fields for me like we used to? Bring Jennifer with you, she'd love that. Maybe you'll even find all the wiffle balls that I lost for you when we used to play softball after dinner. Go tear up that dance floor with mom!

*I'll skate for you again one day.
Until then I'll miss you.*
