Linda & family. Cal and I are so sorry for the loss of your large personality of a husband, Sam. He was a person with a good heart and kind soul. When we used to enjoy holidays, all I could think about was Sam making his famous Greek salads and dishes I had no idea what they were, and telling me to "eat, eat & eat some more". I never had a clue what I was eating! He will be missed by all, especially you and your family, I'm sure. Blessings to you and peace of heart! Betty & Cal
