“ It has been a long time since Sandy passed but I'm sure she is with her Father and Savior! Sandy was the most loving and motherly daycare provider for my daughter! We loved her like family and are remembering her fondly this Christmas season!

“ I'm very sorry for your family's loss. I knew Sandy for over 20 years through her many dogs and can remember fondly the days of her dropping off 6 of them at a time for haircut Saturdays with several small children perfectly behaved in tow! Parents nowadays can barley handle one child at a time in public let alone a small army of them! Sandy was great like that. Always a very thoughtful person, not a single holiday went by without a card from her and her dogs in the mailbox. How sad it was to get a Christmas card this year only signed by her and not a list of pet names following...

Sandy was a wonderful person and will be missed. Francine & David Syskowski

“ *My sincerest sympathy to the Piper/Towle family. "Ms Sandy" used to watch my eldest son for several years. She was amazing with him and was a friend to me as well. She loved her dogs and her babies. I pray that God will comfort the family in this difficult time. God bless you. The Ricks family*
