“ *Daddy,
Why you left so soon none of us can understand. There were so
many more things to teach us, so many more things to do. what can
I say I miss you too much. I never got one special moment with you
like a father daughter dance that I've always wanted. You wont be
there to see me graduate or see me be the best lawyer that I can
be. I do know you will be watching over Me, Tyler and Laura. As
much as I wish I could have given you a hug or atleast told you how
much I loved you its not possible. All I can say now is thank you for
giving me and my siblings memories we will always cherish. Also,
thanks you Uncle Jeffery and Will Watson for giving me a piece of
mind through this whole thing. I hope there is someway i can repay
you for everything you have done for us.*
