*Scottie was a blast to work with, even 30 years ago. He was our big teddy bear at Berlin Sheet Metal. You could always depend on him to brighten your day with a joke, a beer and his wonderful smile. He'll always be missed and loved by anyone who had the pleasure of knowing him!!!  
Travis, he was a proud daddy and your name & his love for you came up often.

*Travis and all the family-It was a privilege to have met and known Scott and siblings for more than 40 years. He was a GENUINE article and treated both people and horses with an obvious love. He will be remembered by me as a truly good guy.*
