“ So very sad to learn of Scott’s passing. Although it’s been years since we spoke I have many fond memories of the times I spent with Scott, Lee and Greg when we teenagers! Scott was a great guy back then as I’m confident he grew into a wonderful man, husband and father. I sincerely hope you find comfort in happy memories and your love keeps him forever in your hearts and that soon your memories bring a smile instead of tears.  
With heartfelt sympathy,

“ So sad to hear this news. Scott and I were best buddies in High School and had so many amazing times together. Life took us in different directions and we lost touch, however, those memories are always with me and are a part of me. Praying that your family finds peace and comfort in remembering the difference Scott made in this world.

“ To Debbie, and the entire Pechout family- Our love and sympathy is with you all as you mourn the loss of your husband, father, brother and friend.

To Karen- a small world when we both realized after being co-workers for some time, that Scott was a friend of Kevin's and grew up in the same town. What a nice connection. I will continue to pray for you and your family, that you may find some peace over time, and begin to look back at the beautiful memories of your brother.

With love and sympathy,  
Gina and Kevin Nappi.
