“ My mother told me of Sharon's passing this morning. I remember all of the time spent with your family-- sitting on the front steps of our house with our transistor radios, Tinty's car races,time in your family room. They are wonderful memories. Your mom and dad were very special people and part of the memories of the good old days. We both want to extend our sympathy to you, Ken and Fred on the loss of your sister. Sharon will always be remembered as a wonderful childhood friend!!!!
