“ *I am so sorry for the loss of your mom, Sheila. She left this world at a very young age and that must be hard to accept. I'm certain that witnessing her 3 children creating their own families and having 7 grandchildren gave her great satisfaction. She must have thought if she had to leave now, she had left a legacy and one that she was proud of.*

My deepest sympathy to you and your beautiful children. “ How do you say goodbye to one of the most bravest strong willed person I have been Blessed to call a friend, Not only a friend but family even though we were mother in laws we shared so many wonderful and memorable moments together, the marriage of our children the births of our grandchildren, all the Holidays and birthdays and picnics. Our trips to the campground surprising our grandchildren together, or just picking up the phone and talking for hours and solving all the worlds problems or at least trying to. I will miss you at every birthday we always bought the same card or outfit, I cherish and thank God you were a part of all our lives. Rest in peace dear friend, I will miss you dearly.
