“ *Shammo loved to laugh - I remember her many visits with our mom and they would spend afternoons reminiscing their early days. She had a heart of gold and loved her family so very much. She always greeted one with a smile...always found the good in life. Now she is Home with her loved ones and will be there to greet us when we leave. Be at peace, Shammo, know that you are loved and will be missed. Juia David and Family*

ME

I keep hearing her calling me “Mahogie” and her smile. Her visits when I was a new mom, she was always happy and generous with her love. She was so excited when she was with family - and she made you feel loved and welcomed. She will never be forgotten because she was memorable in every way. She leaves behind a beautiful family. Love you cousins, I know how difficult the past few years have been, you honored your mother in every way. Her love lives on in you all.
