“ Dear kids  
What a great friend and neighbor your mom was to my mom. There were many days that she brightened up the day for her. I have many memories of your mom's stories and laugh from way back when you were young. And as I visited Conn. so often in the last few years, I always enjoyed stopping by to listen to her animated stories and that belly laugh. Dayl Dr. will miss her.

“ Dear Tammy,  
We were so sorry to hear of your mother's death. We have fond memories of her days in Camp Fire, her cheerful presence and dry wit added a lot to the leaders meetings. She will be sorely missed.

“ *Sondra, you were a dear neighbor for many years. "Good fences make good neighbors" as Robert Frost put it and your fence certainly did. Jerry and I don't think of it without thinking of Tarzan. He was such a treasure as were you. Our sympathy goes out to the family--Tammy, Jimmy and Sandy and their families. Our love, Mimi & Jerry*

*My very sincere condolences to all of you. I'm in shock after reading the obituary on line. Both your parents were great people. Your Dad was my daughters god-father and your Mom was a great person to talk to.*

“ Dear Frederick family;

*We have been fond friends and neighbors of Sandy for many years. It was always a joy to chat with her on our daily walks with our dogs. Our oldest dog Hans will dearly miss his 'best friend'; as he often visited her; when he went AWOL from home, and was treated by here joy and happiness to see him, and of course a treat. Our younger pup had only just begun to learn of her specialness prior to her becoming sick.*

*We are very sorry for your loss of your mother; and just wanted to share with you all that she touched many of us in her own special way. We too shall miss her dearly.*

*Our deepest regards. Sincerely Mark and Donna Brester*
