“ We also have fond memories of Sophie and Frank from our early days in the truth beginning in 1972. Such fine examples of faith for us to emulate. Frank was our wedding photographer and we have wonderful memories of that. Throughout the years, Sophie graced our lives with her presence. Her quiet and mild spirit, her love for Jehovah and her loyal support of her husband and family are a testament to a life worth living and someone to truly admire and learn from. The best ending to a wonderful life is that she will be able to pick up where she left off when she answers the call. Can't wait for that day. We send our love and sympathy to all who knew Sophie and to her loving family. Love, Thomas and Suzanne Thibodeau

“ The Raymond E. Lumpkin Sr. family knew Sister Tudor and her family for over 40 years and the entire family was active in preaching, teaching and studying the Bible with many people. Their zeal and love for Jehovah will always be cherished.

“ We knew Frank and Sophie from way back in the 1970's. Elegant is the word that comes to mind when we think of Sophie. When she was going through a particularly hard time in her life, her reliance on and devotion to Jehovah kept her strong. She was an incredible example of a woman of faith. We look forward to seeing her again, we really do!
