“ Although we knew Sophie only a short time we saw her love of animals, especially her granddogs Cody and Toby, She was generous with her time, always available to dog sit them. She loved her family and will be terribly missed by them.

“ Patty, Joe, and Ray so sorry to here about your mother's passing. Growing up I remember the wonderful apple pies she use to bake. May the memories held deep within your heart help soothe your spirit at this difficult time.
