“ Steve and Joan have been our neighbors for over twenty years. From the first day we moved in Steve was always there, working on one project or another around their house, but ready to jump in and offer his help to us as we tackled our repairs. His vibrant personality and good nature were evident in his conversation. We were blessed to have such a fine neighbor. To his entire family, we extend our deepest condolences. May you rest in peace, Steve,

“ *My condolences to the Arasimowicz family on your loss. I did not know Mr. Arasimowicz Jr -- but I have been lucky enough to work on Union issues with Stephen III. I hope it was a source of great pride and comfort for Mr. Arisimowicz Jr. that his son is such a leader and person of great compassion and conviction, and a great person to work with. Stephen III - I know this must be a time of great sadness and loss. My condolences to you and your family.*

“ *I remember Steve as "one of the good guys". I remember when Stephen & Todd were small and the good times that were had at get-togethers in the O'Keefe family back yard on North St and the family picnics at Stanley and Batterson Parks and Compensation Reservoir. And Christmas Eve at Gramma O'Keefe's house. Good memories of Steve back then. He was such a good cook, especially his chicken!*

*Deepest sympathy to Joan. My heart is with the boys. Always remember the good times and share your memories with your kids and grandkids of "Papa Steve". He'll live on through you.*

*R.I.P. Steve.*
