

Steven Blankenburg

January 21, 1964 - December 4, 2023

Steven R. Blankenburg, 59, of Farmington, husband of Richard P. Linehan, passed away unexpectedly, Monday (December 4, 2023) at his home. Born in New Britain, he lived in Farmington since 2005. Steve was a graduate of Plainville High School, Class of 1982 and recently worked for VPC Tech. Previously he had worked for COCC in Southington, Pfizer Open Solutions and Kaiser Permanente. Steven loved celebrating Christmas with his family. He enjoyed decorating his home with beautiful and elaborate Christmas items with his husband Rick. His home certainly showed his enthusiasm for Christmas. He enjoyed spending time with his family and friends throughout the year and also took an interest in the history of his family. He cherished his three cats which were a large part of his family. He loved spending time at Miami Beach in Old Lyme whether on vacation or a day trip. There were so many inside jokes that only his family could understand. Steve's laughter was contagious!

Besides his husband Richard, he leaves his mother, Marilyn (Veley) Blankenburg of Burlington; a brother, Michael Blankenburg and his wife Laura of Plainville; a sister, Kathy Hartford and her husband Steven of Burlington; several nieces, nephews and cousins which meant the world to him. He was predeceased by his father, Robert Blankenburg.

“ I will forever miss my cousin, Steve. I was born 7 weeks after him, so we literally grew up together. I recently remembered the elaborate spaceship control panel he had drawn on his bedroom closet wall. We would imagine transporting to other planets during family parties. From innocent children to mischievous teens ordering screwdrivers at our older cousin's wedding (I'm still not sure how we got away with that one) we would enjoy every family function. As an adult Steve was always warm and welcoming. I cannot recall any argument or miscommunication throughout all of these 59 years. He truly loved his family and cherished continuing family traditions. He remembered stories of our grandparents and their siblings more than any of the rest of us combined. His laugh was a constant cadence during family gatherings--a reassuring reminder that we were all ok even as after other family members were taken from us. I don't feel ready for Steve not to be here with us, but I'm quite sure I would never be ready. You are already missed, cousin.

Love,
Sharon

“ *Steve and I grew up together and shared so many funny and amazing times together. We loved spending time in church youth group and in and outside of school. We even picked up a part time job together as young adults so that we could share more laughs and good times. He had the best sense of humor and had such a great memory. We would laugh over the same stories again and again. Steve was an important part of my life and he will always have a place in my heart. Rest in peace my friend. My deepest sympathy to Rick the Blankenburg family.*

“ I was lucky to grow close to Steven as an adult and some of my fondest memories I have that involve family include him at the center. He always made you feel loved as soon as you walked in his door, greeting you with a big hug and smile , and there would always be a gracious amount of snacks for you when you caught up with one another . My favorite part of Christmas was Blankenburg Christmas - mostly because of him . He kept the tradition alive, even when Christmas was hard to celebrate. Some of my favorite memories with my mom also have Steven , there was the wheat thins box incident , spending time with him at old Lyme laughing by the beach for hours , and of course , the wedding with the port-o-potty where we accidentally created a very large line filled with many of the Blankenburg cousins. Rest in peace Steven , you are , and have always been very loved, your presence will forever be missed . Love, Brooke

“ I've had the great pleasure of being a colleague of Steve for more years than I can remember. First with Open Solutions, then most recently with VPCtech. Steve was very skilled in what he did and was always willing to help wherever he could. Steve was warm, lighthearted and it seems like he was always laughing. He left his imprint on many people which will not soon be forgotten. My condolences to his family and friends.
