“ I'm so sorry to hear of your loss.  
"Suzie" was my father's secretary for many years at the CT ST  
Police/Fire Marshal's office. I remember how much my father  
respected her and liked her as she was such a wonderful lady.  
When I would go into work with my Dad, she would always take me  
under her wing and I would be her assistant for the day.  
I'm sure my Dad gave her a big hug and will keep his friend close to  
him in Heaven.

“ Kim, Craig, Heather and family,

*I could not have asked for a better friend or godmother for my daughter than your mother. She was the most loving, kind and generous person I ever met. I don't have to tell you how much she loved you and how proud she was of you because she showed you every day of her life that you were her number one priority. The care and support you all gave her is a testament of the love that you had for her. "Not for nothing but..." there will never be another friend like her in my life...she will be deeply missed by all who knew her and she will remain in our hearts forever. May she rest in peace.*

“ Just a note to express my sympathy to Susans family. I spent about 10 years at the State Fire Marshals Office where we both worked and I enjoyed her sense of humor. She was a pleasure to work with and I know she will be missed.

“ *Kim & Craig,  
I have many childhood memories growing up at your house. Your mom was so much fun! I felt like she knew our secrets.... the secrets we couldn't tell our mom's. Susan was the "COOL" mom. She always knew how to make everyone feel comfortable in her home. Your mother was a beautiful person and she will always be with you.*
