“ I knew Suzanne in the early years at Edna C. Stevens School. She came to a few birthday parties at my house. Remember ‘Pin the Tail on Pony’? Growing up, she had a smile and was nice to everyone. She will leave a hole in those who knew her, but sharing the wonderful memories will help to fill it.  
God, I ask that you be present with the family and friends. Let your light shine upon her and be gracious unto her. Amen.

“ I am saddened to hear of the passing of Suzanne. I first met Suzanne when we were in the fourth grade. She was the first girl I ever talked with on the phone. She would tell me about her adventures snowmobiling with her family in Vermont on their Polaris. Those conversations are memories I have carried with me ever since. Suzanne was kind, friendly, and full of life, and I will always remember her fondly. My thoughts and prayers are with her family and friends during this difficult time.

“ I knew Suzanne since I was 11 from school. We were in the same grade & her birthday was the day before mine so we always remembered each other's. We were best buddies at times & I will never forget the pajama parties at hers & my house & other friends in our circle. We always had great fun together.

Years back when I first learned of her cancer I reached out. I thought she had gone into remission. So very sorry to hear of her passing. I'm glad she was surrounded by those she lived most.

*Rest in peace Suzanne Pepin Bauer. You were one of the best!*

“ The memories I have of Suzanne are many because I was lucky enough to be her cousin. The Pepin family were always welcoming whether it being in Cromwell or Vermont. Suzanne laugh was very unique and I can picture her at her dad's Polaris booth at the Berlin Fair like yesterday. Our life's will always be interconnected and nothing can change that and her passing will be a loss for the many who loved her. Giving thanks for the kindness Suzanne seemed to always spread around and for who she was. Steven Carnelli

“ To Suzanne's children, Mom, brother & family,  
I was so sorry to hear about the passing of Suzanne ("Peeper" what I called her in school). I have SO many memories of her during our school years - too many to mention!! It was so nice to see her when we visited VT and surprised her for the celebration of her.  
She was a fighter !!! May she rest in peace
