“ I want to send my deepest condolences to all his family and friends! Tom was the type of person who can strike up a conversation with anyone, even if it was a stranger in the store ! He was a love caring and found good in every one ! He brightened up a room with his blue eyes and big smile ! He had a lot of knowledge about all sorts of stuff including bit coin's! He also love his movies! When I would be on video chat with aunt Tesa he would want to tell and ask my Tom if he seen this show or that show , always with excitement! I could go on and on about Uncle Tom but all who knew him knew his true personality! Let me tell you I always found it infectious!!! You will truly be missed by a lot of people!!!XOXO

I'm sorry for your loss. I am one of the strangers that met Tom in a grocery store in Aruba. We were both looking at cakes. He had the one I wanted & we realized we were staying at the same resort (la Cabana). We made an agreement to share our different cakes. Was such a nice, friendly gentleman
